Since most of my readers are teachers, I've created this printable in a way that makes it easy to create multiple sets. If you only have one learner, you will only need one set of letters, but will still need to print all the pages (in either color or black and white).

- **Color:** Pages 3-30
- **Black & White:** Pages 31-58

Important Note:

The pictures for the sounds q, x, and y are not the best . The clip art artist told me she's creating new images for those so that I can purchase them soon. As soon as they're done, I'll change the images for those pages and re-upload this printable to the blog post. Thanks for your patience!
