# Community Helper Sorting Mats

Print the mats you'd like to use along with their pictures. Printing on cardstock and laminating will ensure durability. You may want to apply clear Velcro dots to the mats and corresponding cards. This way you can punch holes in the mats and store them in a binder without the cards getting mixed up.

To play, give your child two or more mats and their cards. Mix the cards up. Have him pick up each card, name the picture, and place it on the correct mat.
