

# LOW-PREP, EASY-TO-USE RESOURCES FOR PRE-K TO THIRD GRADE

## THE MEASURED MOM PLUS®

Anna Geiger, M.Ed., is the creator of The Measured Mom website, where she has been sharing resources for teachers since 2013. **Our membership site is a growing collection of video workshops, no-print resources, and over 2000 printables for teaching Pre-K to third grade.**

Anna is Orton-Gillingham certified, has a Science of Reading graduate certificate from Mount St. Joseph, and is the host of the weekly podcast, Triple R Teaching.

## HOW TO GET STARTED

1. Email [hello@themeasuredmom.com](mailto:hello@themeasuredmom.com).
2. Let us know the names and email addresses of the teachers in your school or district who will be using the membership.
3. Wait for an invoice from The Measured Mom Plus.
4. When you receive the invoice, send a purchase order.
5. When we receive payment, we will enroll all the teachers on your list. **Each teacher will receive a yearly non-renewing membership so they can enjoy all the membership has to offer!**

## WHAT YOUR TEACHERS WILL RECEIVE

When you pay for a school or district membership, your teachers will receive:

- Immediate access to a growing collection of **over 2000+ engaging student printables**
- New printables each month
- On-demand **video workshops** and mini-courses about the science of reading
- **No-print resources** to use in Google Slides or Seesaw
- Surprise bonus products throughout the year
